Dear Edmison Families,

We wanted to share some concerning news about one of our JK students from Ms. deRooij and Mrs. Haughton's class. Sadly, over the weekend, Sophie Foley was struck by a vehicle while attending the Norwood Fair.

Sophie has been seriously injured in this accident and is receiving care in hospital in Toronto.

With the permission of Sophie's family today, we are sharing this news with her classmates and supporting them in their understanding.

I know you join us in offering our warmest thoughts and healing wishes to Sophie and her family at this difficult time.

As a school community, we will stay positive and hopeful for Sophie on her recovery.

There has been a GoFundMe account established to support Sophie and her family as they support her in her recovery. If you wish to make a donation, please do so at this link [GoFundMe for Sophie Foley](#)

We appreciate that this is troubling news for students, and our Board's Mental Health Clinicians are available at the school to support students and staff.

We will continue to monitor the need for support over the coming days, and please feel free to call the school should you need assistance.

Sincerely,

Lorena Haley-Twiss
Principal
