Edmison Heights P.S.

JANUARY 2020

If you have a child, or know of anyone that has a child who is eligible to attend either Junior or Senior Kindergarten for September 2020, please come into the school or contact us at 705-745-0722 to register. In addition, you can register online at www.kprschools.ca.

The following information will assist you with the registration process: Junior Kindergarten students must be 4 as of December 31, 2020. Senior Kindergarten students must be 5 as of December 31, 2020. Proof of age by birth certificate or equivalent, proof of address and immunization must be provided. Accurate enrollment projections are key to acquiring funding from the Ministry of Education and to the Board's budget process.

Junior Mixed Volleyball

Edmison Heights had an amazing day at the Junior Competitive Volleyball tournament on December 5th at James Strath! Lots of collaboration, three hit rallies and nail-biting finishes. Although our two teams were pretty evenly matched (and even played each other in the round robin) one team was able to get themselves into the final game against Westmount to finish out the day. Congratulations to our Junior Mixed Volleyball Teams for a stellar day! Thank you to Mrs. Chambers and Mme Lavery for coaching the teams.

Wintery Weather

With the winter weather upon us, we ask that parents make sure that their children come to school fully prepared for the weather of the day. We will undoubtedly have several more cold snaps throughout the next little while. Our general plan is to have students outside as many days as we are able to, including cold weather days. Once the temperature dips below -20, we evaluate the temperature, including the wind chill, and make decision on a day by day basis.

Edmison Heights' Food Drive

Thank you so much to our Edmison Heights community for an extremely successful Food Drive again this year. We gathered more food items this year than ever, overflowing the bins in our main foyer. Kawartha Food Share is very grateful for the efforts of our school in helping those in need in our community.
